

MAR MENOR GOLF RESORT

UGOLF PROTOCOL

USE OF PRIVATELY OWNED GOLF BUGGIES

Agreement has been reached with Ugolf the golf operator for Mar Menor Golf Course to enable privately owned golf buggies to be used on their course subject to the following conditions.

1. The Golf buggy must be of the type that is licensed to be driven on public roads.
2. The user must observe all instructions made by golf operator and prevent any damage to the course.
3. Only two persons per buggy is permitted at anyone time.
4. No storage for the golf buggy is provided by the golf operator
5. An application has to be made to the golf operator for the buggy to be approved suitable to be driven on the golf course prior to its first use.
6. Once approved, no change is permitted to the buggy without the approval of the golf operator.
7. The buggy has to be properly insured.
8. The user will be required to pay a concession charge either by annual payment (Enquiries to the pro shop) or a daily charge (currently at 7€'s).
9. The user when driving on the public roads must conform to all traffic regulations.
10. The golf operator may change or modify any of the above giving reasonable notice of one month.
